We also feature Independent Living

Living Life to the Fullest

University Nursing and Rehabilitation is a full continuum of care and rehabilitation facility that offers a full-spectrum of post-hospitalization care including in-house therapy services, short-term skilled care and long-term care in our 47 private suites. We also offer independent living in our senior apartments, University Terrace.

Here at University Nursing and Rehabilitation you will find all the comforts of home. The environment is clean, caring and friendly. Our dietary department has some of the best home-style cooking around. Planned activities and events invite times of fellowship and friendship. You will not find a more dedicated team of professionals in town

Compassion and Care

It is our goal to meet the needs of each resident while maintaining their privacy, dignity, and integrity. This affects everything we do; from caring for our residents to the manner in which we conduct the business and operations of our company.
